Dear Eagle Family,

Out of an abundance of caution, Ozark City Schools students, faculty, and school guests will be required to wear masks in school buildings, on buses, and at all indoor school events upon return on Wednesday, January 5th.

At this time, we are closely monitoring COVID-19, and consulting with our neighboring school districts, state officials, and school administrators. To the greatest extent possible, we will continue to follow the CDC guidelines and recommendations. Please keep in mind, protocols may be adjusted accordingly as COVID-19 data changes.

COVID-19 testing will be available for students and staff members at each school beginning Monday, January 10th. Reach out to your school or visit the Ozark City Schools webpage for additional information.

We look forward to seeing students Wednesday, January 5th. Thank you for your continued support during this time.

Sincerely,  
Ozark City Schools  
#ONEeagle
